**RIUNIONE ANNUALE
ASSEMBLEE ANNUELLE
JAHRESTAGUNG
ANNUAL MEETING**

Locarno
November 5-7, 2009

THURSDAY, NOVEMBER 5, 2009

8.30-12.30 NEOPLASTIC NEUROPATHOLOGY

A workshop for residents and young staff pathologists (limited to 30 participants)

Tumors of the central nervous system (part I)

S. Frank/M. Tolnay (Basel)

Tumors of the central nervous system (part II)

S. Frank/M. Tolnay (Basel)

12.30 Lunch

13.20 OFFICIAL OPENING OF THE MEETING

13.30-16.40 HEREDITARY CANCER: the role of the pathologist

Familial non-medullary thyroid cancer

V. Nosè (Boston, USA)

Intestinal polyposis: morphology and clinical implications

M. Risio (Turin, Italy)

Mismatch repair genes: diagnostic algorithm and clinical significance

G. Lanza (Ferrara, Italy)

BRCA1 and BRCA2 breast cancers: from pathology to tailored therapy

J. Reis-Filho (London, UK)

16.40-18.15 ORAL PRESENTATIONS

20.30-22.00 PITFALLS AND PEARLS IN THYROID PATHOLOGY (slide seminar)

V. Nosè (Boston, USA)

10.45-11.45 ORAL PRESENTATIONS

11.45-13.00 KEY NOTE LECTURES. CLASSIFICATIONS IN PATHOLOGY (II)

Classification of cardiomyopathies in the era of molecular medicine

G. Thiene (Padua, Italy)

Rationale, aims and pitfalls of tumor classifications

J. Rosai (Milan, Italy)

13.00-14.30 Lunch and poster session

14.30-16.30 WHAT'S NEW IN PATHOLOGY

Stem cells in solid neoplasms

M. Manz (Bellinzona/Zürich)

What's new in immunohistochemistry

C. Doglioni (Milan, Italy)

Molecular pathology: new challenges for pathologists

A. Bardelli (Candiolo, Italy)

17.00-18.15 ORAL PRESENTATIONS

19.30 Gala Dinner

FRIDAY, NOVEMBER 6, 2009

8.15-10.15 CLASSIFICATIONS IN PATHOLOGY (I)

Insights from the new WHO classification of tumors of the central nervous system

S. Frank (Basel)

Lymphomas in patients with immunosuppression

F. Facchetti (Brescia, Italy)

Molecular pathology of breast cancer special types: more than pretty pictures

J. Reis-Filho (London, UK)

Classification of liver tumors

L. Rubbia (Geneva)

SATURDAY, NOVEMBER 7, 2009

8.30-10.00 2009 ADMINISTRATIVE MEETING OF SGPATH

10.30-13.00 UPPER AERODIGESTIVE TRACT (slide seminar)

M. Tinguely (Zürich), C. Gengler (Zürich), M. Bongiovanni (Geneva)

13.00 End of the meeting
